ANNA UNIVERSITY LIBRARY

Anna University was established on 4th September year 1978. It offers higher education in Engineering, Technology and Allied Sciences relevant to the current and projected needs of the society. Anna University is a member of the Association of Indian Universities, the Association of Commonwealth Universities and Partner of UNESCO International Center for Engineering Education (UICEE). The University Library is located in three campuses namely CEG, MIT and SAP. Presently, the University library is housing a total collection of around 2 lakhs reading materials in various branches of Engineering, Science and Technology. About 400 Foreign and Indian Journals and around 10,000+ e-journals are currently being subscribed by the library. Around 11,000 registered users access the facilities in the library. Many knowledge based services like Reference, Referral, Bibliography, MALIBNET and DELNET are available for users. Many activities of the University Library are automated and entry into the library and issue/return/renewal transactions are made possible with RFID Technology using Smart Card.
