

College of Engineering Guindy,
Anna University - 600025

ONE DAY WORKSHOP ON “Robotics and IoT based Projects -Idea to Product”

About the workshop

It explores how science, technology, and engineering integrate to build intelligent, autonomous machines and highlights key project applications across critical fields such as healthcare, space communication, and defense. Tailored for engineering students, the session aims to build foundational skills in electronics, programming, and problem-solving.

9th October 2026

Department of ECE, CEG campus,
Anna University 600025

Key Information

- ✓ No Registration Fee
- ✓ Last date for application submission : 07.10.2026
- ✓ Intimation of selection: 08.10.2026
- ✓ UG students of all branches are eligible to apply

Patron

Dr.V. Kumaresan,
Registrar, Anna University.

Chair

Dr. M. A. Bhagyaveni ,
HOD/ ECE, Anna University.

Coordinators

Dr. M. A. Bhagyaveni ,
Professor.

Dr. R. Sittalatchoumy,
Associate Professor.
