Short Term Course – July/ September 2014

AU-FRG Institute for CAD/CAM conducts high quality training programmes in the field of CAD/CAE for the benefit of working engineers and engineering graduates. In order to extend these training programmes to the students of engineering colleges and to enrich their professional skills to suit the current Industrial/R&D requirements, exclusive training programmes are conducted for students as scheduled below.

The following courses are being offered during July/September 2014.

**Duration: 72 hours**
