ABOUT STTP

One-Week STTP on "Disaster Risk Management" under the AICTE Quality Improvement Scheme (AQIS) is sanctioned to the Department of Civil Engineering, Anna University, UCE-BIT Campus, Tiruchirappalli, Tamilnadu, India. In view of the prevailing COVID-19 Pandemic Situation, AICTE has directed for organizing three STTP's on the sanctioned topic for facilitating and benefiting the participants from academics and industry across the country. India is one of the most disaster prone country. This programme would help the participants to understand the due importance of disaster risk reduction and also creates a wide multi-disciplinary understanding of the issue pertaining to managing disasters.

REGISTRATION FEE AND LINK

There is **no registration fee** for attending the STTP programme. However, pre-registration is mandatory for attending the STTP. Academicians/Industry Persons can participate.

ANNA UNIVERSITY
BIT-CAMPUS, TIRUCHIRAPPALLI

Anna University, Bharathidasan Institute of Technology (BIT) has been established as a Technical Institute under Anna University, Chennai by the Government of Tamil Nadu. BIT has carved a niche for itself in providing technical education in the disciplines that are rare of their kind in our country with a high level of competence since 1999. It offers a variety of UG, PG and research programs with an approximate of 5000 students in the campus. The Institution works towards developing partnerships with industries and academic institutes to provide quality education and opportunities for entrepreneurial development. The main objective of the institute is to generate a horde of highly creative professionals, who can contribute not only to the Human Resource Development and also to Nation building exercise.

DEPARTMENT OF CIVIL ENGINEERING

The Department of Civil Engineering was established in 2007 as part of the Anna University, BIT Campus, Tiruchirappalli. The Department today is recognized for teaching and for providing an outstanding research environment for staff and students. The Department provides professional training and at the same time to participate actively in applied and theoretical research. The department strives to instill students in respect

STTP -DRM

of attitudes, values, vision and training that will prepare them for lifetimes of continued learning and leadership, to develop the ability and passion to work wisely, creatively, and effectively for the benefit of society; to generate new knowledge for the betterment of humankind and disseminate it universally; and to generate realistic and innovative solutions for the current and future technological needs.
