

UNIVERSITY LIBRARY ANNA UNIVERSITY, CHENNAI-25

Author Workshop on *“How to Publish Research Articles in Open Access”*

About the Event:

The University Library, Anna University jointly with M/s. Taylor & Francis, India is organizing an Author Workshop on **“How to Publish Research Articles in Open Access”**. The workshop will provide an insight to the participants to publish their papers in Open Research Publishing Platform. M/s. Taylor & Francis offers a variety of publishing options to ensure that the research is available without restriction, reaching the right audience for maximized discoverability and impact.

Topics

- Introduction to F1000 and T & F's Open Research Publishing Model
- T & F's invited, post-publication open peer review process
- Open Data policy and what it means to the researchers
- Article types and research outputs that can be published on F1000
- Submission hints and tips from the editorial team
- Examine the publishing process and increase the likelihood of the research work being published

Resource Person: Ms. Diksha Awasthi, Business Liaison, F1000, Taylor & Francis
