Awareness Program
On
Solar Energy Utilization

Organized by
IES, Anna University, Chennai

Sponsored by
University Grant commission
About IES, Anna University

Anna University was established in 1978 as a unitary type of university. It became the largest affiliating type technological university in Asia in 2002. Institute for Energy Studies (IES) was established at College of Engineering, Guindy, as an autonomous centre in the year 1999 by integrating 3 centers of excellence namely Centre for New & Renewable Sources of Energy, Centre for Automobile Research & Training and Appropriate Technology with the objectives

Considering the recent promotion of Solar Technology by our state and central Governments our Institute along with the support of UGC has taken initiatives to provide awareness to the Academicians, Administrators and Technicians involved in the field of Solar PV and Thermal technology.

The objective of the Program

To educate the participants about the clean and renewable energy and emphasizing the importance of solar PV and Solar Thermal systems and to create large awareness in the utilization of Solar Energy

Target Audience (Only for SC/ST Candidates)

- Academicians & Technocrats
- Administrators from Private & Government Sectors
- PG Students & Research Scholars

Topics Covered

The programme covers the following topics:
1. Energy Scenario and Government Initiatives
3. Solar system and Components
4. Solar Applications

Date & Venue

Date : 3rd March 2014
Venue : Institute for Energy Studies, Anna University

Address for Correspondence

Dr. R. Velraj
Prof. & Director
Institute for Energy Studies
