ANNA UNIVERSITY

Anna University was established on 4th September, 1978 as a unitary type of University. It offers higher education in Engineering, Technology, Architecture and Applied Sciences relevant to the current requirements of the society. It promotes research, disseminates knowledge, and fosters cooperation between the academic and industrial communities.

DEPARTMENT OF ENGLISH

The Department of English at Anna University empowers engineering and technology students with effective communication skills in English, and the requisite intercultural competence, which will enable them to function effectively in the global scenario. The Department also strives to inculcate ethics and values, which will result in the holistic development of the young professionals. The Department aims to be recognized as a nodal centre for research, teaching, design of learning materials, and testing, to English Language Teachers in Technical Institutions in Tamil Nadu.

ABOUT THE WORKSHOP

The workshop aims to help the research scholars and faculties to write quality research articles and publish the same in Web of Science and Scopus-Indexed journals. It explains how to organize the content with a special focus on coherence and theme. It also discusses the strategies to improve academic writing, and contents to be discussed in each section of the article. It also highlights the aspects such as reference formats and selection of appropriate journals.
