ORGANIZED BY
DEPARTMENT
OF
COMPUTER APPLICATIONS
REGIONAL CENTRE
TIRUCHIRAPPALLI – 620 024
ABOUT THE UNIVERSITY

Anna University was established on 4th September 1978 as a unitary type of University. It offers higher education in Engineering, Technology and Allied Sciences relevant to the current and projected needs of the society. Besides promoting research and disseminating knowledge gained there from, it fosters cooperation between the academic and industrial communities. The Anna University, which is of the affiliated type is a member of the Association of Indian Universities, the Association of Commonwealth Universities and Partner of UNESCO International Center for Engineering Education (UICEE). With proven capabilities both in academic and research areas, Anna University was able to receive this honour for a period of five years for excellence in Technical Education. Anna University has four regional centres at Coimbatore, Madurai, Tiruchirappalli and Tirunelveli to sphere head the academic activities throughout the state.

ABOUT THE DEPARTMENT

Department of Computer Applications (MCA) was established in the year 2007, offers 3 year course in Master of Computer Applications (MCA) with an objective of imparting Quality education in the field of Computer Science. The department encourages and supports student’s success through enhancing technical knowledge in the major research areas like Data structures, computer Network, Data mining, Mobile Ad-hoc networking, Grid Computing, Cloud Computing and pervasive computing technologies.

SPONSORSHIP

The Council of Scientific and Industrial Research (CSIR), the premier industrial R&D Organization in India established in 1942, is an autonomous body and India’s largest R&D Organization with 39 Laboratories and 50 field station or extension centre spread across the nation.

OBJECTIVES

This workshop is intended

- To create a highly flexible Web Services that works on Heterogeneous Environments adapted to B2B, B2C, and Etc.
- To provide a platform for interaction and to discuss about the recent advances, technological trends and challenges in the field of Web Services.

COURSE CONTENT

- Web Service Architecture
- SOAP Creation and Debugging
- WSDL, UDDI
- Java Web services
- .NET Web services
- Challenges in Web Services

TARGET AUDIENCE

The Members of the Faculty, Final year UG students and PG students from Engineering Colleges/Universities who have interest in the field of Web Services and those who are performing research in the same field.

Limited number of accommodations available on first come first serve basis.

REGISTRATION FEE

Students : Rs.350/-
Research scholars/ Faculty members : Rs.500/-
Industry : Rs.750/-

Note: Registration for the workshop can be done using the attached registration form or photo copy of the form. The Demand draft must be drawn in favour of “The Regional Director, BIT Campus, Tiruchirappalli-24”.

Organizer decision is final.
