Signature of Head of Institution
(With Seal)

Chief Patron
Dr.M.Rajaram
Vice Chancellor
Anna University, Chennai

Patron
Dr.S.Ganesan
Registrar \(\frac{1}{2}\)
Anna University, Chennai

Co-Patron
Dr.T.V.S.Pillai
Regional Director \(\frac{1}{2}\)

Chairman
Dr.N.Shenbaga Vinayaga Moorthi
Dean \(\frac{1}{2}\)

Co-ordinators
Mr.R.Ramesh Pandian, AP/ Civil
Mr.M.Suresh Karthik Kumar, AP/ Civil
Mr.S.Raja Kumar, AP/ Civil

Organizing Committee
Mr.O.Ganesh Babu, HOD/ Civil
Dr.M.C.Sashikkumar, AP/ Civil
Mrs.S.Manimegalai, AP/ Civil
Mrs.A.Saranya, AP/ Civil
Ms. K.Nelsia Priya Dharshini, AP/ Civil
Mr.M.Ananth, TF/Civil

Organized by:
Department of Civil Engineering
University VOC College of Engineering
Anna University: Tirunelveli Region
Thoothukudi Campus
Thoothukudi – 628 008
About the Institution
University VOC College of Engineering was established in the year 2009 and it is a constituent college of Anna University, Chennai. The University Campus offers 4 UG courses in Civil (English & Tamil Medium), EEE, ECE and Mechanical Engg. (English & Tamil Medium). Also offers Part Time mode of UG Courses in Civil, EEE and Mechanical Engg from Academic year 2013.

About the Department
The department of Civil Engineering has experienced and qualified faculties with various specializations such as Structural Engineering, Geotechnical Engineering, Remote Sensing and GIS, Water Resources Engineering, Construction Management, Transportation Engineering and Environmental Engineering. The Department also encourages its students to engage in extra-curricular and co-curricular activities, essential for development, nurturing of team spirit and developing organizational skills.

About the location:
Thoothukudi is a port city in Thoothukudi district of Tamil Nadu. Thoothukudi is known as "Pearl City" due to the pearl fishing carried out in the town. The Institution is located in a spacious serene campus situated on Thoothukudi, and it is nearly 5 km away from the Thoothukudi Railway Station and about 2 km away from the Thoothukudi bus stand.

Course contents:
1) Excess sludge disposal is one of the serious challenges in biological wastewater treatment. Besides disposing the energy content in it is utilized.

2) Fluoride, although beneficial for the mineralization of hard tissues in the human body, can be toxic to humans with chronic exposure to elevated concentrations

3) Parking is one of the most serious problems to be addressed in the context of the ever increasing traffic growth in Indian cities and an effective parking management would ensure in relieving the parking problems.

4) The pavement evaluation is important in assessing its condition which deteriorates due to the increasing high volume of vehicular traffic and heavy axle loads.

The following salient topics will be discussed in the workshop.
- Energy from waste
- Impact of Fluoride
- Parking Management
- Evaluation in Pavement Engineering

Registration Fee:
Faculty : Rs. 500/-
PG Students/Research Scholars : Rs. 400/-
UG Students : Rs. 300/-
Govt. Research Organization : Rs. 500/-

Payments:
The registration fee should be in the form of Demand Draft drawn in favour of “Society of Civil Engineers, University VOC College of Engineering” Payable at Thoothukudi.

Important Dates:
Last date for Registration : 24.09.2013
Notification for acceptance : 25.09.2013
