## COURSE DESCRIPTION

This faculty development training program is intended to provide opportunity for teachers employed in AICTE approved and Anna University affiliated institutions for teaching and upgrading their knowledge in the areas of electrical machine.

This program will be very useful for those who are involved in teaching electrical machines at U.G level. This will also provide a basic platform for a faculty who is willing to carry out research. However, our main focus will be on Electrical Machines-II based on the B.E (EEE) syllabus of Anna University, Chennai.

## SPEAKERS

Faculty from IIT, Anna University and from Industry.

## CONTENTS

The salient topics like Induction Motors, Synchronous and special machines will be discussed.

*Note : The Participants are requested to bring their own laptop preferably with software like MATLAB.*
