2027-2028 FULBRIGHT-NATIONAL ARCHIVES HERITAGE SCIENCE FELLOWSHIP

A unique opportunity for heritage science research and collaboration in the United States

Application Due Date: November 16, 2026.

This fellowship is made possible through a partnership between the U.S. Department of State and the National Archives and Records Administration (NARA).

This award provides a unique opportunity for a Fulbright visiting scholar to conduct research and gain hands-on laboratory experience at the National Archives and Records Administration's Heritage Science Research and Testing Lab, just outside Washington, D.C., in College Park, Maryland. The awardee will work collaboratively with NARA scientists on projects that leverage his/her expertise in analytical chemistry, physics, computational modeling and materials science.

For more details about the award including eligibility and application details, please visit the following link : <https://fulbrightscholars.org/fulbrightnationalarchives>.

United States-India Educational Foundation (USIEF) will conduct an online information session about this fellowship on Wednesday, October 14, 2026, from 3:00 p.m. to 4:30 p.m. (IST). Link to
