About the Institute

Madras Institute of Technology is one of the premier technical institutions started in the year 1949 by Shri. C. Rajam, an eminent industrialist. The institute was the result of a bold experiment in technical education as it introduced for the first time totally unconventional engineering courses such as Aeronautical Engineering, Automobile Engineering, Electronics Engineering and Instrumentation Engineering. It was merged with Anna University in the year 1978.

About the Department

The Department of Information Technology was established in the year 2001 and offers B.Tech. and M.Tech. in Information Technology and Ph.D./M.S. (by research) programmes. The Department has sponsored projects from UGC, DOE, DIT, CDAC, ISRO, TCS, TEQIP and AICTE.

Resource Persons

Faculty from Anna University and External Experts from Academia and R&D Organization.
