About the Institution

University College of Engineering Ramanathapuram was established in the year 2008. The campus is committed to providing quality, cost effective education and training in Engineering and technology. Its motive is to enable students to stand on their own feet and to equip them to contribute to the Technological, Economic and Social development of India. The campus pursues excellence in providing training to develop the sense of professional responsibility, social and cultural awareness and set the students on the path to leadership.

About the Department

The department with its eminent and experienced faculty has been greatly successful in bringing out the talents of the young minds, moulding them and guiding them in the right path. Practical hands on training during the course of study are greatly stressed so that the students acquire knowledge about the industry and its growing needs.

Speakers

Senior faculties of University College of Engineering and external experts from academia & industries.

Objective of this Programme

- To give the exposure in the subject of Construction Planning and scheduling.
- To upgrade the knowledge in the field of Construction planning.
- To train the participants in the concept of scheduling.
- To introduce the subject with numerous examples in order to have better and in depth knowledge.
- To develop theoretical and analytical skills.
