SPONSORSHIP CERTIFICATE
This is to certify that
Prof./Dr./Mr./Ms./........................................
of.........................................................
(Name of the Organisation) is sponsored to participate in a seven day Faculty Development Programme on “Theory of Computation”. The duration of the course will be treated as on duty.

Signature of the Sponsoring Authority

ANNA UNIVERSITY
REGIONAL CENTRE, COIMBATORE
FACULTY DEVELOPMENT TRAINING PROGRAMME
on Theory of Computation
5th - 11th Dec 2012
Sponsored by
Centre for Faculty Development
Anna University, Chennai
Organized by
Department of CSE
Anna University,
Regional Centre Coimbatore,
Jothipuram, Coimbatore - 47.
About The University

Anna University was established on 4th September 1978 as a unitary type of University. It offers higher education in Engineering, Technology and Allied Sciences relevant to the current and projected needs of the society. Besides promoting research and disseminating knowledge gained therefrom, it fosters cooperation between the academic and industrial communities. The Anna University, which is of the affiliated type is a member of the Association of Indian Universities, the Association of Commonwealth Universities and Partner of UNESCO International Centre for Engineering Education (UIICEE). With proven capabilities both in academic and research areas, Anna University was able to receive this honour for a period of five years for excellence in Technical Education. Anna University has four regional centres at Coimbatore, Madurai, Tiruchirappalli and Trinunelveli to spread the academic activities throughout the state.

About The Department

The Department of Computer Science and Engineering aims at producing technically competent Professionals, who can excel in today’s age of technology, recognizing its role in Engineering, Education, Generation and Dissemination of state-of-the-art facilities and relevant Technologies. The Department offers 3 Full time and Part time M.E Programmes and B.E Part time Programme. The Strength of the department is well experienced and dedicated members of Faculty pursuing their research, in recent trends of Computer Science and Engineering. The research arena comprises of Mobile Computing, Ad-Hoc Networks, Soft Computing, Information Security, Network Security, Data Mining, Data Warehousing, Grid Computing, Service Oriented Architecture, Cloud Computing, etc.

To strengthen the technical ability of our students, the Department as a whole encourages the students towards conducting and participating Guest Lectures, Seminars, Conferences, Workshops and Industrial Visits.

Objective

The Faculty development programme aims to prepare young faculty members to understand the subject “Theory of Computation” and to enhance their teaching skills with depth knowledge.

Course Contents

Turing Machine, Undecidability, Reducability, Time Complexity, Space Complexity, Hands-on Training using JFLAP tool.

For Whom

Faculty members in any AICTE approved Engineering Institutions.

Registration

- Total number of participants is limited to 25.
- Selection is done based on first come first served basis.
- No registration fee.

Important Dates

Last date for receipt of registration form : 28th Nov, 2012
Date of intimation regarding selection : 30th Nov, 2012
Conformation from participants : 03rd Dec, 2012
