DECLARATION

The above information is true to the best of my knowledge. I agree to abide by the rules and regulation governing the Faculty Development Training Programme. If selected, I shall attend the program for the entire duration. I also undertake the responsibility to inform the coordinator in advance if I am unable to attend the course.

Date: 
Place: 
Signature of the Applicant

SPONSORSHIP CERTIFICATE

Mr./Ms./Dr.……………………………………………………
is an employee of our Institution/Organization and is here by sponsored for the above Faculty Development Training Programme. He / She will be permitted to attend the program, if selected.

Signature of the Sponsoring Authority with seal

REGISTRATION

- There is no registration fee for this program.
- Selected candidates will be intimated by e-mail. Confirmation of participation is to be made by sending reply e-mail.
- No TA/DA will be paid
- If selected, the applicant should attend the program for the entire duration.

SELECTION CRITERION

Number of seats are limited. One participant per college in first come first serve basis will be considered. Selection of second candidate from same college but from different department will depend on availability. Priority will be given to the younger faculties. Organizer’s decision will be final in the selection of the candidates.

IMPORTANT DATES

Last date of submission of Application (by post/e-mail) – 28th November 2012
Intimation of selection – 30th November 2012

Faculty Development Training Programme

On

EC 2354 VLSI Design
05th - 11th December 2012

Sponsored by
Center for Faculty Development
Anna University, Chennai-25

Coordinators
Dr. R.Seshasayanan
Mr.D.Vaithiyanathan

Organized by
Department of Electronics and Communication Engineering, College of Engineering Guindy, Anna University, Chennai-25

ABOUT THE PROGRAM

This faculty development training program is intended to provide opportunity for teachers employed in AICTE-approved Engineering Colleges affiliated to Anna University for teaching and upgrading their knowledge in the areas of VLSI design. The objective of this training programme is to give a broad exposure for faculty members handling the course VLSI design and associated EDA tools.

RESOURCE PERSONS

The course faculty includes resource persons from Anna University and Industry.

COURSE OUTLINE

- Introduction to CMOS VLSI design
- Technology related issues in MOS
- Transistor sizing and power dissipations
- Testing of VLSI Circuits
- Combinational Circuit Design
- Sequential Circuit design
- Circuit design using HDL

ELIGIBILITY

Faculty members handling the course EC 2354 VLSI Design in AICTE approved Engineering Colleges affiliated to Anna University.

ORGANIZING INSTITUTION

Anna University was established in September 1978 as a unitary type of technical university. The College of Engineering, Guindy, the main campus of the university is one of the oldest technical institutions in India. Its origin dates back to 1794 which was established as survey school by East India Company and then upgraded into a college in 1859. The university offers 45 Under Graduate programme and 108 Post graduate programmes.

ORGANIZING DEPARTMENT

The Department of Electronics and Communication Engineering, which became a part of this celebrated institution in the year 1945 is one of the leaders in India in this field of technology. This department offers B.E-ECE and B.E-Bio-Medical and five PG programs viz. Applied Electronics, VLSI Design, Communication Systems, Medical Electronics and Bio-Medical and also offers M.S by research and PhD programme.

APPLICATION FORM

Faculty Development Training Programme
On
EC 2354 VLSI DESIGN
5th – 11th December 2012

1. Name :
2. Date of Birth:
3. Designation :
4. Institution :
5. Institution affiliated to Anna University: Yes/No
6. Education Qualification:
7. Professional Experience :
   Teaching :
   Industrial :
8. Address for
   Communication:

Phone / Mobile:
E-mail:
