OBJECTIVE

This faculty development program is intended to provide opportunity for teachers employed in the affiliated colleges of Anna University for teaching and upgrading their knowledge in the area of Signals and Systems. The main focus will be on Signals and Systems (EC6303) and based on the B.E (ECE) syllabus of Anna University. The live demonstration and laboratory sessions will not only expose to the new paradigm of Signals and Systems but will also equip academicians to carry out any mini/major projects. It is planned to deliver a fully loaded FDP and hence it will be suitable for those who have serious interests in Signals and Systems.

COURSE CONTENT

The entire syllabus of Signals and Systems (Subject Code: EC6303, 2013 Regulation, Anna University Chennai) will be covered with Lab practice on Signal Analysis and Signal processing using MATLAB.

SPEAKERS

Senior faculties of Anna University Chennai, Mathworks, Frontline Electronics and Pondicherry Engineering College.

ELIGIBILITY

Faculties of IT, CSE, ECE, E&I and EEE departments, who are aspirant to acquire basic knowledge on Signals & Systems.

REGISTRATION DETAIL

1. The program is applicable for the University Departments and colleges affiliated to Anna University.
2. There is no registration fee for the first 25 candidates.
3. Selected candidates will be intimated by e-mail. Confirmation of Participation is to be made by sending reply e-mail.
4. No TA/DA will be paid.
5. No Boarding and lodging will be provided at free of cost.
6. If you request for Boarding and lodging will be provided in the college hostel with minimum rent.
7. If selected, the applicant should attend the program without absent for the entire duration.

HOW TO APPLY

The Applicants Should send the specified format through their Head of the Department / Head of the Institution. It should reach us on or before 05.06.2014. If selected, they should confirm their participation in time.

IMPORTANT DATES

Last date for receipt of applications: 05.06.2014
Intimation of selection: 06.06.2014
Confirmation by participants: 07.06.2014

ABOUT THE COLLEGE

University College of Engineering Tindivanam (UCET), a constituent college of Anna University, Chennai has envisioned a wide range of improvement and development both in academics and administration since 2008. The College has a land area of 4.85.0 Hectares at Melpakkam, Tindivanam which is on the way of Tindivanam to Tiruvannamalai National Bypass Road. UCET has four UG courses namely Computer science and Engineering, Information Technology, Electronics and Communication Engineering, Civil Engineering (English & Tamil medium).

ABOUT THE DEPARTMENT

The Department of Electronics and Communication Engineering is offering a full time four year B.E degree course in Electronics and Communication Engineering. This field of engineering imparts technical knowledge in the areas of Electronics Engineering, Signal Processing, VLSI, Wireless Networks, Wireless Communication, and Instrumentation. Department has sound infrastructural facilities including separate laboratories like Digital Signal Processing, VLSI. Competent faculty and established library are the highlights of the department.
