Organising Committee

Patron
Dr. M. Rajaram, Vice Chancellor, Anna University, Chennai

Members
Dr. Hema Achyuthan, Professor and Head
Dr. R. Nagendra, Professor
Coordinator – UGC-DRS (Phase III)
Dr. S. Srinivasalu, Professor,
Deputy Coordinator – UGC-DRS (Phase III)
Dr. L. Elango, Professor
Dr. S. Sanjeevi, Professor
Dr. C. Lakshmi Narasimhan, Assistant Professor
Dr. K. Sivaraj, Assistant Professor

Advisory Committee
Dr. S. Ganesan, Registrar, Anna University
Dr. A. Peer Mohamed, Director
Planning and Development, Anna University
Dr. S. M. Ramasamy, Chair Professor
Bharathidasan Univ & Advisor, UGC-DRS (Phase III)
Dr. G. V. R. Prasad, Professor, Univ., of Delhi &
Advisor, UGC-DRS (Phase III)

Address for Correspondence
Dr. C. Lakshmi Narasimhan
Assistant Professor
Department of Geology
Anna University,
Sardar Patel Road, Chennai-600025.
Mobile No: 09486525664
E-Mail: lakshmina_c@yahoo.com

Dr. K. Sivaraj
Assistant Professor
Department of Geology
Anna University
Sardar Patel Road, Chennai-600025.
Mobile No: 09551770210
E-Mail: kavaraj@gmail.com

UGC-DRS (Phase-III) SPONSORED
NATIONAL SEMINAR ON
RECENT ADVANCES IN ENVIRONMENTAL GEOLOGY
( RAEG-2015 )
21 & 22, MARCH 2015

Department of Geology
(DST-FIST & UGC-DRS Sponsored Department)
Anna University
Chennai-600025.
About the Department

The Department of Geology, Anna University was initiated in 1979, and is actively involved in teaching and research in the field of Applied Geology. Over the decades the Department has strived to maintain its multidisciplinary approach towards Earth Sciences by applying the concepts of Geology to solve scientific problems. The Department maintains ties with well-known organizations such as the Geological Survey of India, Oil and Natural Gas Corporation, National Geophysical Research Institute, Central Ground Water Board, ISRO, UNESCO, BSIP, PRL, CESS, the Directorate of Geology and Mining, other Universities and Research Institutions.

The department is supported by UGC-SAP, UGC-CPEES and DST-FIST Programmes. This has enabled the department to have good instrumentation facility to carry out research and it has produced more than 70 Ph.D theses in various fields of Geology. The faculty members have international research collaborations and have collectively published more than 800 research papers in national and international journals. During the past four decades, the Department has shown commendable progress both in academics and research.

About the Seminar

The National Seminar on Recent Advances in Environmental Geology (RAEG-2015) is scheduled to be held on 21st & 22nd March 2015. This Seminar is structured as plenary lectures followed by paper presentation. Papers are invited from researchers, students and faculty from academic institutions and R&D Institutions.

Objectives

Environmental Geology is the study of both natural and anthropogenic processes that take place within and between the atmosphere, oceans and solid earth. In fact a major role of those involved in Earth System Science is to examine and understand present and past natural variations in environment and climate.

This Seminar aims at bringing researchers, academicians and R&D personnel from all over the country on to a common platform. This seminar provides a national forum for the researchers to exchange the ideas in recent advances in Environmental Geology (Part of the thrust area of UGC-DRS programme of the department).

Themes of the seminar

Papers are invited in the following themes
- Geomorphology and Environmental Geology
- Remote sensing and GIS
- Sedimentology and Geochemistry
- Palaeoclimate and Paleoecology
- Sea level changes and coastal environment
- Environmental hydrogeology
- Natural disasters and management

Submission of Abstracts

Abstracts may be submitted in soft copy to the following
e-mail ids: lakshmina_c@yahoo.com / kasivaraj@gmail.com
Last date for submission of Abstract : 13.03.2015

Registration fees

- Academic / Scientific delegates : Rs. 500/-
- Industrial delegates : Rs. 1000/-
- Student delegates : Rs. 300/-

Accommodation

On request accommodation will be arranged.

Tariff per day :
- University Guest House (Single) : Rs. 650/-
- University Guest House (Double) : Rs. 750/-
- Alumni Guest House (CEG Campus) : Rs. 1,500/-
- Private Hotel : Rs. 1,500 - 3,000/-
- Youth Hostel (for student participants) : Rs. 350/-

Programme Venue

Department of Geology, Anna University, Sardar Patel Road, Chennai – 600025.

Field visit on 22nd March 2015

Geological field studies along the east coast from Chennai to Mahabalipuram to study and discuss the coastal geomorphology and environment.

(Field visit charges per person : Rs.750/-)
