**THIRD INTERNATIONAL CONFERENCE
ON INTELLIGENT INFORMATION TECHNOLOGIES
(ICIIT 2018)**

Dear students,

We are delighted to invite you to take part in the leading conference ICIIT. The Third **International Conference on Intelligent Information Technologies (ICIIT 2018)** will be held in **Department of Information Science and Technology, College of Engineering Guindy (CEG), Anna University, Chennai, India** during December 11-14, 2018.

ICIIT 2018 includes a pre-conference event **PROJOFF '18** on December 10, 2018 that provides an opportunity to present your conceived idea and design of your project work to discuss with eminent professors and practicing engineers to enhance the design and ultimately the quality of the project work you are developing. **PROJOFF '18** permits both individual and group projects. You are requested to prepare a report not exceeding 4 pages about your project work that includes the aim, design (or system architecture), description of modules and expected results in word or pdf form and mail to gc.iciit2018@gmail.com. Please specify **PROJOFF '18** in the subject of the mail. This event provides you an opportunity to get valuable feedback from professors, practicing engineers, research scholars and the fellow students. **The selected participants have to register by paying Rs. 2000/- per project on or before November 1, 2018.**

The event also includes one technical session on **Big Data Analytics** which shall be attended by the participants. **The best project will be given a cash price of Rs. 10000/- and the runner up a cash price of Rs. 5000/-.** Participants shall attend any one key note talk (among four) that has been scheduled on December 11, 2018 by paying Rs. 1000/-.
