Faculty Development Programme on
“INSTRUMENTAL METHODS OF ANALYSIS”

7 days (Dec 14th to Dec 21st 2012)

CO-ORDINATOR
Dr. M. DHARMENDIRA KUMAR
Assistant Professor (SG)

Department of Applied Science and Technology
A.C. Tech. Campus
Anna University, Chennai – 600 025.
Anna University Chennai is a premier technological University in India. It is committed to provide excellent and effective engineering education to enhance the technical and analytical skills as well as the moral standards of the student community. The University has been pioneering in engineering education and technology development to remain abreast in many frontier areas. Besides promoting research and disseminating knowledge gained thereon, it fosters cooperation between the academic and industrial communities. The University has established collaborative research programs with world class institutions from various countries.

The Department of Applied Science and Technology was newly started in the year 2010 with the objective to create strong Teaching and Research base. The Department has several funded projects costing more than Rs. 20 millions from various funding agencies and industries. The main objective of the department is to cultivate knowledge among young minds and motivate the need for research in frontier areas. The department actively involved in research area such as environmental management, adsorption, catalytic activity, regeneration of catalysts, removal of heavy metals using polymer based bio-adsorbents, etc.,
The FDP on Instrumental Methods of Analysis will cover the following aspects:
1. Introduction to Spectroscopical methods of analysis
2. UV and Visible Spectroscopy
3. IR, Raman and Atomic Spectroscopy
4. Thermal Methods
5. Chromatographic methods

HIGHLIGHTS OF FDP
- Coverage of syllabus.
- Latest advances in the field of Instrumental methods of analysis.

TARGET AUDIENCE
Academicians interested in teaching instrumental methods of analysis.

REGISTRATION DETAILS
- Total number of Participants is restricted to 25.
- Participants will be selected on First Come & First Serve basis.
- Priority will be given to Young Faculty.

IMPORTANT DATES
Last Date for Registration
Intimation of Selection
Faculty Development Programme on
“INSTRUMENTAL METHODS OF ANALYSIS”
7 days (Dec 14th to Dec 21st 2012)

1. Name: 
2. Educational Qualification: 
3. Designation: 
4. Name and Address of the Organization / College:

E-mail: 
Mobile Number: 

Signature of the Applicant
Forwarded by the Head of the Institution / Dept.

Dr./Mr./Ms. ____________________________ is an employee of our institution. He / She is permitted to attend the program if selected

Date: 

Signature of the
Head of the Department / Organization
