ORGANISING COMMITTEE

Chief patron: Dr. Rajamaniccam L. Sai
Regional Director, VC

Organising Secretary: Dr. P. Renuka Devi, HOD
Biotechnology Centre, AU, RC, CBE.

Committee Members:
- Mr. E. Hemananthan
- Mr. S. Vignesh Kumar
- Ms. V. Jhanit Lakshmi
- Ms. K.G. Dhanalakshmi
- Ms. M. Deepa
- Mr. P. Hariharan
- Ms. T. Anantha Jothi

Eminent Speakers:
- Dr. Koustav Ganguly
  Associate Professor, SRM Research Institute, Chennai.
- Dr. V. Banakaran, Scientist F, CFTRI, Mysore.
- Dr. R.B. Narayanan, Professor & Head, Department of
  Biotechnology, Anna University, Chennai.
- Dr. K. Kadiyala, Scientist, DRDO, Bangalore,
  Joint Director, BDU—Center for Life Science.
- Dr. Prakash Vasudevan, Director, CITRA, Coimbatore.
- Dr. Mukesh Pasupetti, Ph.D
  Assistant Professor, SRM Research Institute, Chennai.
- Dr. S. P. Dharapal, Professor and Head, Phytopharmacy, JSS University, Ooty.

Registration Form (Proforma)

"National Seminar on Nanobiomaterials-2013"

NSN-2013

14th - 15th FEBRUARY - 2013

Name:
Gender: M/F
Designation:
Institution/ Organization:
E-Mail:
Contact Address/ Phone:
Registration Fee:

Registration:
DD No:________________________

Date:________________________

Registration Detail:
Fee detail:
Bank:

Drawee:________________________

Accommodation Required:
Yes
No

Date:________________________

Signature:

SPONSORSHIP CERTIFICATE

This is to certify that Dr./M/s ____________________________ is a full time Faculty Member of our Institution and is allowed to participate in the 2 days seminar.

Institution Seal

Signature of the Head of the Institution

Who can participate:
Students, Research scholars & Faculty members of all Academic Institutions and Research Centres.

Registration Fee:
Students: Rs. 300/- Staff: Rs. 500/- R & D: Rs. 1000/-

DD should be drawn in favour of "Biotechnology Centre, Anna University Regional Centre, Coimbatore".

Last Date for Registration: January 28th, 2013

“NATIONAL SEMINAR ON NANOBIO MATERIALS”
NSN-2013
14th – 15th FEBRUARY – 2013

ABOUT THE INSTITUTION

Anna University was established on 4th September 1978 as a unitary type of University. It offers higher education in Engineering, Technology and Allied Sciences relevant to the current and projected needs of the society. Besides promoting Research disseminating knowledge gained there from, it fosters co-operation between the Academic and Industrial communities. Anna University is the affiliated type and is a member of the Association of the Indian Universities, the Association of Commonwealth Universities and partner of UNESCO International Centre for Engineering Education (UICEE). With proven capabilities both in Academic and Research areas, Anna University has been able to impart quality and excellence in Technical Education. Anna University has four Regional Centers at Coimbatore, Madurai, Tiruchirapalli, and Thirunelveli to sphere head the academic activities through the state.

BIOTECHNOLOGY CENTRE

At present a two year M.Tech. Biotechnology programme spread over four semesters is being offered since August 2011 at the Anna University, Regional office, Coimbatore. The Biotechnology laboratory is equipped with the instruments like RT-PCR, Gel Documentation System, Fermenter, Visible Spectrophotometer and Laminar Air Flow Chamber. At present the centre’s laboratory is engaged with routine practical works of the Post Graduate Students and by the Research Scholars. The centre has planned to carry out collaborative research works with various Institutes. Efforts are on to develop Biotechnology Centre as a Centre of Excellence in the field of Nano-biotechnology.

ABOUT THE SEMINAR

NSN-2013 is exclusively dedicated to Nanobiomaterials and Nanotechnology. The conference will be useful in the wisdom of interdisciplinary gathering as the theme has been selected to accommodate a wide range of interests to facilitate interdisciplinary interactions. The goal of the conference emphasizes interdisciplinary research on processing, morphology, structure, properties and applications of Nanobiomaterials. This event will bring together a panel of highly accomplished experts in the field of Nanomaterials and Nanotechnology. Talks will encompass basic studies and applications and will address topics of novel issues.

OBJECTIVE

The conference will provide an attractive platform for the interaction amongst Researchers of interdisciplinary nature from both academicians and industry personal to discuss and share the state of the art development in Nanomaterials and Nanotechnology.

SEMINAR HIGHLIGHTS

- Advanced Nanomaterials
- Multifunctional Materials
- Nanotechnology in textiles
- Nanoelectronics and spintronics
- Nanobiomaterials and Biomedicine
- Biosensors
- Drug delivery & Nutraceutical delivery.

IMPORTANT DATES

Last date for Registration  - 28th January, 2013
Last date for Accommodation - 12th February, 2013

ACCOMMODATION DETAILS

Accommodation will be made in nearby hotels for outside participants. Separate charges will be received for the accommodation. Local participants are kindly requested to make their own arrangements.
