ARMATS BIOTEK Pvt Ltd

ARMATS BIOTEK, Chennai is one of the leading training and research institutes in India creating best-in-town research opportunities exclusively for life science students. They provide high quality hands-on training on wet lab techniques and in-silico solutions. Since 2007, several projects and training programmes were successfully conducted.

ARMATS BIOTEK has been instituted with the prime research focus on different areas of biological sciences with the ultimate goal of developing unique bio-products to cater the needs of various industries and agriculture. ARMATS is in the process of promoting different kinds of eco-friendly biological products, such as enzymes, plant growth stimulants, liquid bio fertilizers, bio-pesticides, health and cosmetic products. In addition, ARMATS is developing tailor made research laboratory kits/products that will simplify, promote and improve the teaching and research quality in biological sciences.

FOCUSED AREAS

* Green synthesis of silver, gold and magnetic nano particles.
* Optimization of the synthesized nano particles
* Characterization of the nano particle using UV.Spec, XRD, XRF, FTIR, AFM and SEM.
* Antimicrobial activity
* Application of Magnetic Nanoparticles, Detecting food pathogens and purification of contaminated water.

OUR CHRONICLE

UNIVERSITY

Anna University is the premier technological university in Tamilnadu, which was formed on September 4, 1978 by integrating four technical institutions including College of Engineering Guindy, Alagappa College of Technology, Madras Institute of Technology and School of Architecture and Planning. It has been providing quality education in Engineering and Technology fields and also nurtures the young minds to achieve industrial development.

Currently the university supports various self-financing engineering colleges, Government colleges and Government aided colleges in Tamilnadu.

CENTRE FOR NANOSCIENCE AND TECHNOLOGY

Centre for nanoscience and technology was established in 2005 and has been supported by Department of Science and Technology (DST) with a financial assistantship of 5 crores. The centre has been actively pursuing research in several areas of nanoscience and technology and also conducts world class training and extension activities including an academic programme (M. Tech. Nanoscience and Technology)

TRAINING PROGRAMME ON NANO-HERBAL TECHNOLOGY

July 8th-12th, 2013

Organized by

CENTRE FOR NANOSCIENCE AND TECHNOLOGY
ANNA UNIVERSITY
&
ARMATS BIOTEK Pvt ltd
CHENNAI
IMPORTANT DATES
Last date for Registration: 06.07.2013

REGISTRATION FEE
Students/Research Scholars: Rs. 3000 /-
Faculty: Rs. 4000 /-
Industries: Rs. 5000/-
*On Spot registration available

No TA/DA and Accommodation will be provided for attending the training programme

DD should be drawn in Favour of
The Director
Centre for Nanoscience and Technology
Anna University
Chennai-25
Payable at Chennai
