ABOUT THE HOST INSTITUTION

University College of Engineering Villupuram, a constituent college of Anna University Chennai started in the year 2008. The college offers five Under Graduate courses, a Post Graduate course and Doctoral Programme in the field of engineering, technology, and science & humanities. The college is situated at Kakuppam, Villupuram town with an extent of 17.5 acres which includes excellent academic building, hostels, mess and canteen. The college is well equipped with smart lecture halls, spacious Conference Halls, necessary laboratories and advanced equipments for research and academic activities. The students from different parts of Tamil nadu with different background are selected on the basis of merit through TNEA, conducted by Anna University. UCEV is identified as a center for conducting TANCET examination and issuing application for TANCET, TANCA and TNEA.

ABOUT THE DEPARTMENT

Since its inception in 2008, the Department of Computer Science and Engineering has been continuously making progress in teaching and research activities. The Department offers the course by following the syllabus and curriculum framed by Anna University.

The CSE Department has a team of highly qualified, experienced and dedicated faculty to impart technical education. It has well equipped laboratories with all the required equipments and software needed for practical and research work to the students. The Department has Wi-Fi enabled class rooms to support e-learning.

SCOPE OF THE CONFERENCE

The aim of the conference is to provide a multifaceted forum for discussion with researchers, engineers, students and industrialists to promote research and technology in the field of Computer Science and Engineering. The conference will bring all technocrates into a single forum in order to discuss and debate on the innovative and intelligent designs along with other advanced systems on the following topics.

THE CONFERENCE TOPICS

- Advanced Computing Techniques and its Applications.
- Artificial Intelligence.
