About the Centre

Crystal Growth Centre, Anna University, Chennai-600025, India is an internationally acclaimed Centre of Excellence in the field of Crystal Growth Research and Technology. The centre is recognized by University Grants Commission as Crystal Growth Centre-UGC: Anna University Facility (National Centre) for the welfare of the researchers in India. During the yesteryears since its inception in the year 1982, Crystal Growth Centre has grown several crystals covering a broad range of characteristics. Apart from research and development, Crystal Growth Centre has been periodically organizing Crystal Growth Seminars/ Schools/ Conferences/ Symposia to provide a platform to discuss the latest developments in the field of crystal growth research and technology for the researchers. So far, 23 National programs and more than 20 International Programs have been successfully organized at Crystal Growth Centre. More than 150 researchers from Crystal Growth Centre have received their doctoral degree awarded by Anna University. At present, the Centre has 12 teaching faculty of international repute, professors of eminence and more than 60 research scholars doing Ph.D. in the roll.

Scope of the Seminar
The National Seminar on Crystal Growth will focus on the following topics:

- **Nucleation**
- Theoretical Aspects of Crystal Growth
- Solution Growth
- Melt Growth
- Vapour Growth
- Epitaxial Growth
- Biocrystallization
- Special Techniques
- Nanocrystals
- Thin Films
- Semiconductors
- Photovoltaic materials
- NLO crystals
- Ferroelectric crystals
- Electro-optic crystals
- Laser crystals
- Photorefractive crystals
- Acousto optic crystals
- Thermoelectric materials
- Characterization methods & evaluation

Applications of crystals and Devices

**Important Dates**

- Last date for Registration: 30.11.2012
- Seminar Period: 20-22, December 2012

Venue

Crystal Auditorium, Crystal Growth Centre, Anna University, Chennai-600025, India

Abstract details

The one-page (A4 size) abstracts of papers including Figures/ references in duplicate should carry the title of the paper, names of the authors and addresses and the salient features of paper in Times Roman font 12 and 1.5 spacing between lines. The abstracts should reach the co-convener on or before 31st October, 2012.

Accommodation

The participants are encouraged to make their own plan for their stay during the seminar. However, arrangements for accommodation will be made on request in nearby Hostels, Guest Houses or Hotels on payment basis. Necessary help will be given by the organizers to arrange for accommodation for those participants coming with family.

Financial Assistance

The participants are requested to try to obtain financial assistance from their institution. However, subject to the availability of funds, partial financial assistance may be provided on request to a few deserving student participants towards travel and considered for registration fee waiver.
