DEPARTMENT OF MECHANICAL ENGINEERING

Regional Office,
Anna University Tirunelveli Region,
Tirunelveli - 627007.
ABOUT THE UNIVERSITY

Anna University was established on 4th September 1978 as a unitary type of University. It offers higher education in Engineering technology and allied science relevant to the current and projected needs of the society. Besides promoting research and disseminating knowledge gained there from, it fosters co-operation between the academic and industrial communities. Anna University has four regional centers at Tirunelveli, Coimbatore, Madurai and Tiruchirapalli. Regional Office, Anna University Tirunelveli Region offers 3 UG programmes and 12 PG programmes.

ABOUT THE DEPARTMENT

Department of Mechanical Engineering was started in the year 2009 with four PG specialisation namely Aeronautical Engineering, Computer Aided Design, Energy Engineering and Thermal Engineering. The intake of students for each specialisation is 25. The laboratories are well equipped with state of art facilities. The Computer Aided Design laboratory is with Creo 2.0 and ANSYS software facilities. The faculty members working in the department have more than 10 years of rich teaching, research and industrial experience. The faculty members are carrying research in the various fields of mechanical engineering like alternate fuel, solar energy, wind energy, energy conservation, alternate materials, composite materials and aerodynamics etc.

SCOPE OF THE WORKSHOP

Renewable energy sector is a continuously evolving sector. Solar is the most abundant renewable energy. About 5000 trillion kwh is incident upon the land area of India every day. India one of the leading markets in the wind energy sector, many technological innovations, changing market structure and policy environment are constantly bringing new trends. Each of these trends has contributed to the shaping of our current energy situation. This workshop will help the participants enriching their knowledge in the field of solar and wind energy. The objective of the workshop is to cover the following:

- Introduction to solar energy
- Recent advancements in solar energy systems
- Introduction to wind energy
- Recent advancements in wind energy systems
- Hands-on experience in solar simulation kit and spectral response meter

WHO SHOULD ATTEND?

Academicians, Research scholars, Industry peoples and Students from Engineering and Relevant Science Disciplined.

RESOURCE PERSONS

Experts from reputed Institutions and Industries will deliver their lecture.

FEE DETAILS

For Students: Rs.600
For Faculty/Research Scholars: Rs.1000
For Industrial Delegates: Rs.1500

The fee should be paid only through Demand Draft in favour of “Society of Mechanical Engineers, Regional Office, Anna University Tirunelveli Region”, payable at Tirunelveli. (Registration fee includes certificates, workshop kit, lunch and refreshment)

REGISTRATION

Registration for the Workshop can be done using the attached form or photo copy of the form. The completed form along with original DD could be sent by post to the coordinator.
