

ABOUT THE INSTITUTION

Government College of Engineering, Thanjavur was established in the year 2013 by Government of Tamilnadu to cater the needs of technical education in emerging areas of engineering and excellence in research in different disciplines of science and engineering. The Tamil Nadu Government has created adequate infrastructural facilities and sufficient funds and is keen on developing the institute for higher education. The college has been located on 35.73 acres, 20 km from the city of Thanjavur and 35 km from the city of Trichy on Sengipatti - Gandharvakottai Main road. This college is affiliated to Anna University, Chennai. This college is the recognized research centre of Anna University, Chennai.

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering offers full time B.E Mechanical Engineering and Ph.D programme (full time and part time). Seven faculty members are doctorates and more than 20 research scholars are pursuing Ph.D programme. 14 Doctorates have been produced by the faculty members of Mechanical Engineering. The average teaching experience of faculty is more than 10 years. The students have received Dr.Kalam Young Achiever Award for the year 2017 & 2018 on National Youth Science Day organized by Centre for Entrepreneurship Development, Anna University, Chennai and World Youth Federation for their excellence in project works.

ABOUT THE PROGRAMME

This programme aims to solve Structural, Thermal, Heat Transfer and Dynamics problems using FEM. Upon completion of this FDTP, the participants can able to understand different mathematical techniques used in FEM and use of them in solving engineering problems.

COURSE CONTENTS

The programme covers the following important aspects of Engineering Analysis:

- ✓ Weighted residual, variational formulation and Ritz technique
- ✓ Solution of problems from solid mechanics and heat transfer
- ✓ Two dimensional scalar variable problems & vector variable problems
- ✓ Axisymmetric formulation and isoparametric formulation
- ✓ Numerical integration techniques

RESOURCE PERSONS

Sessions will be handled by the experts from Central/State funded institutions/ eminent persons from established institutions or people from Industries.

ELIGIBILITY CRITERIA

Faculty from affiliated engineering colleges only are eligible and selection is based on first come & first served basis.
