Lucas TVS Suggestion Scheme Award

What is the scheme?

The Suggestion Scheme has been developed to enable our students to influence the way the College operates and also to ensure their needs are met. Every student is encouraged to submit their ideas for improvement.

Your idea could be about any aspect of College life, for example it could be related to:

> Improving education
> Health and Safety
> Improving the physical environment
> Celebrating success
> New services we could offer
> Ways we could save money or energy and reduce waste, etc.

Who can make a suggestion?

Present students of UG / PG / Ph.D program from CEG, ACT, MIT and SAP campuses irrespective of year and branch.

How do I make a suggestion?

Mail us your suggestions with complete details in the suggestion form (Page 2, www.autvs.sqc.org.in) or drop it in the box provided in AU TVS Centre for Quality Management on or before 15th March 2013.

Evaluation

Your suggestion will be evaluated by the Suggestion Scheme Committee by the scope practicality and feasibility. This depends on issues such as:

> The ingenuity of the suggestion
> No of beneficiaries the idea would affect
> How realistic it would be to make it happen

If your suggestions are selected by the committee, you will be awarded the Lucas TVS Suggestion Scheme Award on Quality Day, Friday 22nd March 2013.
