Welcome to the University of Tours, France!

The University of Tours is located in the lively and beautiful city of Tours (one hour from Paris), a city where history, culture, sports activities and a thriving business community ensure you will experience the best of French art de vivre. As Tours is surrounded by the Loire Valley – listed as a world heritage site by UNESCO – you will have the opportunities to discover beautiful countryside and gastronomical treasures.

Home to great writers such as Rabelais, Ronsard and Balzac, the Touraine area has a rich and ancient cultural heritage. From the Middle Ages to the Renaissance, various Kings and Queens of France encouraged artistic and intellectual creation, thus making the Loire Valley the cradle of French culture. Tours has also the reputation for being one of the towns in France where the purest and most unblemished French is spoken.

Application procedure (exchange students only)

Students who wish to study at University of Tours as exchange students must first of all be selected by their home university. Partner universities will be contacted by UT and asked to nominate their students online. Students are then required to complete their online application before the indicated deadline and attach the required supporting documents.

Please follow the admission procedure on:
http://international.univ-tours.fr/exchanges

1. Pre-registration

Application portal for exchange students (in English and French):

Before you start your application, please read carefully the information about the application process.

Create your account and start your application.

Once the information has been provided on your account, please print the provided PDF form.

For further information Orientation Booklet for Exchange Program Students

N.B: Before sending all the documents to UT, please do not forget that the application form must be signed by the exchange coordinator in your home university, and by yourself.
2. Housing

Apply for accommodation in Residence Hall

Our institution offers accommodation in student halls of residence to exchange students coming from our partner institutions. Students must fill in and print the form below (please complete it on the computer before printing it): Accommodation request form  For further information: Residence halls

If needed, please contact Frédéric to get an accommodation application: incoming.mobility@univ-tours.fr

NB: The accommodation request form must be sent in together to Mr. Frédéric Soreau with the signed registration forms. Failure to comply will lead to the form not being accepted.

Apply for private accommodation

University of Tours has its own free and online platform to assist exchange students to find a private rental. Hundreds of accommodations from private owners, real estate agencies, or rooms in private residence are available close to the university on: Housing platform for private rental

NB: Students must find the accommodation on their own.

Required documents for finalizing your application:

- 1 signed application form
- The accommodation request form if you wish to apply for a room in a student residence hall
- A certificate of registration in your home university
- Make sure you send all the pieces at the same time and in the same envelope.

Postal address for application: Please see page 2 for the International Relations Office Address

3. Final Registration

After receiving exchange student application form, Frédéric SOREAU will provide students all the information needed regarding registration at UT. He will provide students also a letter of acceptation to the exchange program in order to get student visa. At the same time, students will receive from the residence hall a proof of accommodation, if they apply for a room in a student residence hall. Upon arrival in Tours, go to the International Office - 60, rue du Plat d’étain (Building A, ground floor) to meet Frédéric SOREAU (cf. page 2). Please refer to this map.

Frédéric Soreau will assist exchange students with:

- Obtaining their student ID card
- Academic registration (IRO will give students the name and phone number of the teaching staff member who will be their Departmental coordinator and who will help to establish their “Learning Agreement)
- Buddy program
- Visa assistance
- Providing documents containing the basic information students will need for a successful stay
- And other inquiries...

Working in France

Students from countries outside the European Union:
A foreign student can be hired simply by showing his/her temporary residence permit marked “Student” or by showing a receipt for its renewal (without having to request a work authorization). As studies are seen as a priority, please note that the yearly number of hours worked cannot exceed 964 hours (which means 60% of the legal duration of work per year). Otherwise, the Prefecture will withdraw the temporary residence permit.

FACULTY COLLABORATION

Research collaboration: International Faculty members who are interested in conducting collaborative research projects at UT are invited to directly contact our researchers who are working in their field of interest.

Visiting Professors: As part of its international research development policy, the University of Tours intends to welcome foreign researchers in its research units. They may be welcomed as guest professors, who are recruited temporarily to fulfil teaching or research assignments. There are no nationality requirement conditions.

For further information, please contact:

Service de la recherche et des études doctorales at : red@univ-tours.fr
Euraxess Service Centre at : mobilitycentre@univ-tours.fr

LE STUDIUM Smart Loire Valley Programme: LE STUDIUM Loire Valley Institute for Advanced Studies offers several types of temporary long stay research positions (Fellowships, Professorships) as well as additional facilities (international research consortia) intended to attract into Region “Centre-Val de Loire” experienced and outstanding foreign researchers. UT, as a member of Le Studium, is involved in this regional initiative in order to contribute to scientific excellence in the Loire Valley, UNESCO World Heritage Site.

For further information and for application: http://www.lestudium-ias.com/programmes

Faculty exchange: One-to-one faculty exchange for a full semester or academic year may be arranged. UT will consider each request on an individual basis.

SEE YOU SOON IN TOURS AND LOIRE VALLEY!!
