VICE CHANCELLOR'S MESSAGE

Dr. R. VELRAJ

Greetings to all.

It is with immense pride and joy that I present the Annual Sports Report for the academic year 2023-24 of Anna University. This year has been remarkable for our university's sporting achievements and the enthusiastic participation of our students across Tamil Nadu.

Anna University has always valued the holistic development of its students, and sports play a crucial role in this mission. To foster a spirit of healthy competition and camaraderie, the entire state was divided into 19 zones, and a series of zonal and inter-zonal tournaments were conducted throughout the year. These events saw a fantastic turnout and showcased the extraordinary talent and sportsmanship of our students.

The zonal and inter-zonal tournaments were highly competitive, and I am pleased to report that the winners were awarded with medals and trophies in recognition of their hard work and dedication. The energy, commitment, and skill demonstrated by the participants were truly commendable.

Based on the outstanding performances in these tournaments, selection trials were conducted to identify the most promising athletes who will represent Anna University in the South Zone, All India Inter University, and Khelo India games. These trials were rigorous, ensuring that only the best talent was chosen to represent us on these prestigious platforms. Furthermore, I am thrilled to share that the best talents from these trials have been selected to represent Anna University in international level competitions, marking a significant milestone in our sporting history.

I am delighted to announce that, for the first time, the total cash awards for our achievers have crossed the milestone of Rs.10 lakhs. This is a testament to our commitment to supporting and encouraging our athletes. The cash awards are not just a token of appreciation but a motivation for our students to continue striving for excellence in their respective sports.

I would like to extend my heartfelt gratitude to the coaches and managers who have worked tirelessly to train and guide our athletes. Their efforts and dedication are integral to the success of our sports programs. The expertise and support they provide are invaluable, and their contributions have been critical to the accomplishments we celebrate today.

I also wish to convey my best wishes to the Principals, Physical Education Directors, and student participants of our affiliated colleges. Your unwavering support and participation have made this year's sports events a grand success. Your enthusiasm and dedication have set a high standard for future sports events at Anna University.

In conclusion, I am extremely proud of all our athletes, coaches, and support staff for their exceptional performances and dedication. Let us continue to work together to nurture and promote sportsmanship and athletic excellence at Anna University. I look forward to another year of outstanding achievements and inspiring performances.

Thank you.

Best regards,

Vice-Chancellor
Anna University

REGISTRAR MESSAGE
