

Memorandum of Understanding with TANGEDCO

Both Anna University –Ryerson University Urban Energy Centre and TamilNadu Generation and Distribution Corporation Limited has recently signed an agreement to promote the following: The two organisations shall promote opportunities for collaboration that may include, but not limited to:

- (a) Promotion of joint research / consultancy
- (b) Conduct of workshops/seminars/symposiums
- (c) Submission of joint research proposals for research funding
- (d) Exchange of research outcomes, academic publications and other academic information
- (e) Other academic and training programs approved as suitable by both parties

Through this MOU, Anna University-Ryerson University Urban Energy Centre becomes a natural first choice for research and research type consulting projects.
